

Dear Teachers,

When we use this Dictionary, there is few ways to let us find out the word. Here is one of the method, also is a

good way to practice for our Dictionary Contest. Let's try the word '拉'.

	生字 word	部首 (12分) root	餘下筆劃 (12分) strokes without the root	字典頁數 (12分) page number indictionary	漢語拼音 (12分) PinYin	生字解釋 (12分) vocabulary meaning in English	造詞 (12分) make a Chinese phrase
	拉						

1. Student has to decide what the (root) radical of this word 拉 is.
2. The radical is 手
3. First go to the Page# 765 the radical list, find the root (radical) 手 (attachment 1)
4. Then go to Page# 771 the radical index as instructed. (attachment 2)
5. On Page# 771 find 手 in the red printed and count the strokes without the root.
6. 立 Should be 5, go found the 拉 on the 5 strokes. Then you'll see the page # of 拉 is on page# 299.
7. Then go to Page# 299, the 拉 is found. Students can fill in all answers. (attachment 3)
